POSSIBLE COURSE OF STUDY

1st Year - Reims Campus
2nd Year - Reims Campus
3rd Year - Abroad (studies or internships)

BACHELOR OF ARTS DEGREE

Sciences Po prepares its students to become leaders in the public and private sectors through a three-year Bachelor of Arts program. An innovative, multidisciplinary curriculum in the Social Sciences and Humanities – enriched with field trips and workshops in the arts – is offered in the first two years of the program. The students spend their third year abroad, either participating in an internship or studying at one of Sciences Po's 300 partner universities around the world.

1st Year - Paris - Master's
2nd Year - Paris - Master's

MASTER'S DEGREE

14 different 2-year Masters programs available, with one semester devoted to an internship or studying abroad. Dual degree programs with prestigious universities: London School of Economics (LSE), SIPA at Columbia University, Georgetown Law School, Freie Universität Berlin, MGIMO (Moscow).

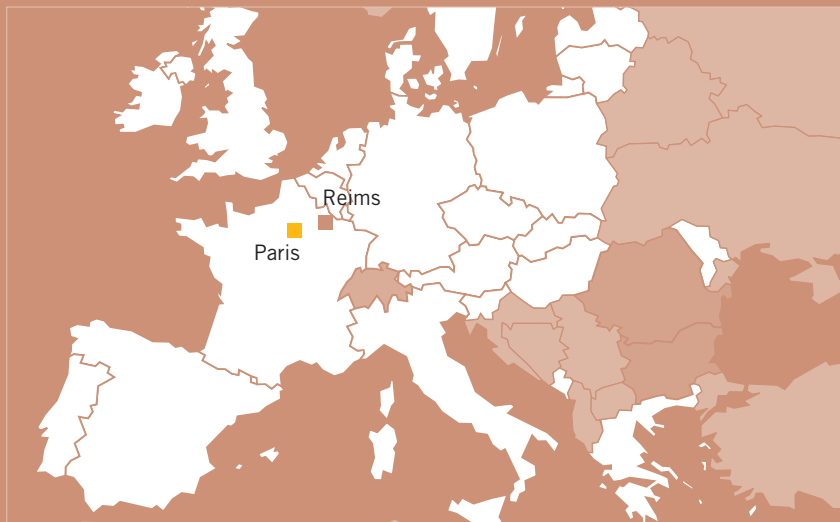

1st Year - Paris - Fundamentals
2nd Year - Paris - Specialization
3rd Year - Paris - Research Thesis
4th Year - Paris - Research Thesis
5th Year - Research Thesis

PhD

5 PhD programs in Economics, History, Law, Political Science, and Sociology. Doctoral exchange programs with North American universities. A dual PhD with Northwestern University and with Columbia University.
